

Meeting the GAHS Challenge

Greyhills Academy High School is committed to providing a nurturing and safe environment where culturally based, and academically challenging programs are utilized in providing holistic, experiential and problem-based learning that promotes life-long learners and whose knowledge will benefit Dine, First Nation's people and global societies.

A focus on vocabulary. . .

Greyhills Academy High School is **committed** to providing a nurturing and safe environment where culturally based, and academically challenging programs are utilized in providing holistic, experiential and problem-based learning that promotes life-long learners and whose knowledge will benefit Dine, First Nation's people and global societies.

What does commitment mean for the GAHS faculty?

What does it look like?

- 1.

- 2.

- 3.

Greyhills Academy High School is committed to providing a **nurturing and safe environment** where culturally based, and academically challenging programs are utilized in providing holistic, experiential and problem-based learning that promotes life-long learners and whose knowledge will benefit Dine, First Nation's people and global societies.

What does a nurturing and safe environment look like at GAHS?

- 1.
- 2.
- 3.

Greyhills Academy High School is committed to providing a nurturing and safe environment where **culturally based**, and academically challenging programs are utilized in providing holistic, experiential and problem-based learning that promotes life-long learners and whose knowledge will benefit Dine, First Nation's people and global societies.

What will culturally based look like in your classroom?

1.

2.

3.

Greyhills Academy High School is committed to providing a nurturing and safe environment where culturally based, and **academically challenging** programs are utilized in providing holistic, experiential and problem-based learning that promotes life-long learners and whose knowledge will benefit Dine, First Nation's people and global societies.

How does academically challenging fit in the responsibility for the staff?

How do you know if a lesson is academically challenging?

How are you responsible for it?

What will it look like in your classroom?

1.

2.

3.

Greyhills Academy High School is committed to providing a nurturing and safe environment where culturally based, and academically challenging programs are utilized in providing **holistic, experiential and problem-based learning** that promotes life-long learners and whose knowledge will benefit Dine, First Nation's people and global societies.

What will you be doing in class this year that are holistic, experiential, problem-based learning lessons?

1.

2.

3.

Greyhills Academy High School is committed to providing a nurturing and safe environment where culturally based, and academically challenging programs are utilized in providing holistic, experiential and problem-based learning that promotes **life-long learners** and whose knowledge will benefit Dine, First Nation's people and global societies.

What will you be doing this year that will nurture life-long learners?

Greyhills Academy High School is committed to providing a nurturing and safe environment where culturally based, and academically challenging programs are utilized in providing holistic, experiential and problem-based learning that promotes life-long learners and whose knowledge **will benefit Dine, First Nation's people and global societies.**

How will you see this?

What will it look like?

Sa'ah Náághéí Bek'eh Hozhóón

Accountability

Transparency

Responsibility

T'áá Hó Ajitéego

What is your plan for each of these?

Accountability

- 1.
- 2.
- 3.
- 4.
- 5.

Transparency

- 1.
- 2.
- 3.
- 4.
- 5.

Responsibility

- 5.

Meeting the GAHS Challenge

What about the emerging world from outside Tuba City?

21st Century Trends

What tech trends are impacting (and will impact) GAHS students?

A few that are emerging

1. The shift to an electronically-based learning environment.
2. The role of distance learning
3. The importance of social networking
4. Cutting-edge

What emerging technologies are you hearing about?

Some of my favorites:

1. Kindle
2. Netbooks
3. Augmented Reality
4. Project Natal

Augmented Reality
